Expanding Access to Higher Education for Fife School District Seniors!

Scholarship Donation Opportunities

We understand that everyone is different and can help in different ways. We offer scholarship monies for accredited vocational schools, community colleges, and four-year universities to the graduating youth at Fife High School. On this page we have outlined several ways to contribute to Fife High School Scholarship Foundation.

General Scholarship Fund

Donations or contributions can be deposited to the General Scholarship Fund by sending your gift to Fife High School Scholarship Foundation. Visit our website to make a direct donation to the General Scholarship Fund.

Matching Gifts from Employers

Many corporations offer matching gift programs for contributions made by their employees and retirees to qualified non-profit organizations. This often includes matching the tax-deductible portion of your donation, meaning your contribution to the Fife High School Scholarship Foundation could be eligible. To determine if your employer matches gifts, please check with your company's HR, personnel, or charitable giving department. Be sure to send the completed form along with your donation to the Fife High School Scholarship Foundation.

Named Scholarships

A donation of \$500.00 or more can create a Named Scholarship from you, your business, or organization. These scholarships can hold specific criteria such as: a specific school, certain athletics, or a particular academic discipline. We encourage annual donations for these scholarships but are more than happy to accommodate one-time donations.

Memorials and Celebrations

Are you searching for the right way to commemorate or honor a special person or loved one? A Memorial Scholarship is a great way to honor the memory of someone who has made an impact on your life. Memorial Scholarships have a minimum donation of \$500.00. Donors can name this scholarship and set forth any specific criteria.

Forms can be located on our website at: fhssf.org
