Linda has been an active member in the Fife School District parent groups since 2002 and began working at Discovery Elementary in 2009. She has volunteered countless years with the Fife Lions Club, the Fife High School Scholarship Foundation, and the Fife High School Booster Club. Linda is especially proud of her work with the Underprivileged Children's Fund for the Fife School District. She has been a leader since its inception in 2013 and has been the Chairperson for the past three years.

## Arnaldo Arostegui

Arnaldo graduated from Fife High School with the class of 2000 and was voted the Truest Trojan by his classmates. He participated in football and track & field as a Trojan. Immediately wanting to give back to Fife High and its student-athletes, Arnaldo started coaching track & field in 2001. In 2002, he began coaching football and continues to coach both sports 18 years later. In fact, Arnaldo and Coach Nevin often provide clinics to coaches and players in his native home of San Felipe, Mexico. Arnaldo is the first ever recipient of the Fife High School ESPY Award as the 2019 Assistant Coach of the Year and certainly is a True Trojan.

## Sherri (Murrey) Cail

Sherri graduated from Fife High School in 1973. In her senior year, she was not only selected as Fife's Daffodil Princess, but was also crowned as the first Daffodil Queen from Fife High School. Sherri's radiant personality and winning smile also earned her the title of Miss Congeniality for the Festival. In 2011, Sherri became the tennis coach for the girls and then the boys' teams. In her 9 years as head coach, the tennis teams routinely have between 20 and 40 students participating at all levels of skill. Sherri loves watching students start from scratch and develop into competitive tennis players.

## Travis Ohlde

Travis graduated from Fife High School in 2000 and is no stranger to Homecoming. As a senior, he was voted into the Royal Court by his classmates. Having played football, basketball, and soccer; Travis wasted little time returning as a volunteer to assist Coach Schelbert with the basketball team in 2003. In the summer of 2004, Travis added coaching football with Coach Nevin to his resume. Over 15 years of coaching and counting. He also travels to San Felipe, Mexico, with Arnaldo and Coach Nevin to coach football. In addition to coaching, Travis worked with special needs students in the Fife School District as a para educator from 2004 to 2016. Travis has been a strong supporter of the Booster Club and Hackers 4 Fife for over ten years.

## Donna (Schatz) Murray

Donna graduated from Fife High School with the Class of 1983. Donna's extended family stayed close to home and so did she. Like many parents, Donna became active in the parent groups at each school. Her oldest son, Justin, graduated from Fife in 2009, just a few years after her youngest, Brandon, a senior this year, started at Discovery. For over twenty-five years, Donna has been on a board in the PTAs, PTOs, and Booster Clubs. She is always willing to volunteer for our students. She has also volunteered many years of service to the Fife School District's Underprivileged Children's Fund.
